

First name (a parent's name) and surname:	Liljana(Mladen) Vukić
Place and date of birth:	Banja Luka, 02. 04. 1954.
Academic degree:	PhD
Position:	Full Professor
e-mail:	ljiljana.vukic@tf.unibl.org
Field of expertise and specialisation (key words):	Environmental engineering Key words: wastewater, air pollution, solid waste, cleaner production

Bachelor's studies:	
Institution:	University "Đuro Pucar Stari" Banja Luka, Faculty of Technology, Banja Luka
Position:	Graduate Engineer of Technology
Place and year of completion:	Banja Luka, 1977
Master/Postgraduate studies:	
Institution:	University in Zagreb Faculty of Technology in Zagreb
Position:	Master of technical sciences in the field of Chemical Engineering
Place and year of completion:	Zagreb, 1990
Final work:	<i>Alkaline wastewater treatment from the viscose fibre production</i>
Scientific / artistic area:	Technical sciences, field of Chemical Engineering
Doctoral studies/Ph.D.	
Institution:	University in Banja Luka, Faculty of Technology, Banja Luka
Position:	PhD of technical sciences in the field of Chemical Engineering
PhD. thesis defense (where and when):	Banja Luka, 2004
PhD thesis:	<i>Conditioning of tannery wastewater for biological treatment with the possibility of chromium recovery</i>
Scientific/artistic area:	Engineering and Technology / Chemical Engineering
Previous elections in the educational and scientific position (institution, position, election year):	University in Banja Luka: <ul style="list-style-type: none"> • Senior assistant, 1995 • Assistant professor, 2004 • Associate Professor, 2009 • Full Professor, 2015
Membership in scientific and professional organizations or associations:	Association of Engineers of Technology in Republic of Srpska, Committee for Ecology in ANURS
